

LIVE NEWS FROM THE TWIN CITIES

CAR IS STOLEN

A 1920 four-passenger Hudson automobile belonging to George Lalak of 2113 137th street, Indiana Harbor, was stolen yesterday afternoon by a negro, who had taken the car to wash. The police believe that the car was taken to Chicago.

AGAIN NO QUORUM

A number of the city councilmen of East Chicago evidently considered that Mayor McCormack's call for a special meeting last night was not "special" enough to get them out on a hot night and only five appeared at the city hall to take care of the city's business. Since five is not a quorum no meeting could be held.

The same councilmen, who have been on hand for the two regular meetings were again on hand while those who made the last two meetings impossible because of their absence were again absent last night. The "regulars" are becoming discouraged and are advocating drastic measures for getting a quorum assembled.

RETURN TO WORK

The laborers at the Interstate Iron and Steel company, who have been on strike during the past week have practically all returned to work and the company no longer is handicapped in the least by the strike. The strike lasted only a few days and according to the officials of the plant was without cause.

U. S. LEAD MAN ILL

T. E. Plant of Beacon street, East Chicago, employed as chief clerk and cashier of the U. S. Lead Refining company, is in a critical condition at the St. Augustina hospital in Chicago, where he underwent an operation last Wednesday for an inward goitre. The operation was performed by Dr. Ochsner of the hospital staff and Mr. Plant is reported to be doing as well as could be expected.

CIVIC CLUB PLANS

The Indiana Harbor Civic club proposes to conduct its activities in a somewhat different manner than it has for the past year and using the recent social gathering as a starter expects to enlarge upon the social side of the club. In doing so they have erected a stage at one end of the former pool room and devoted the other part of the same room to dining purposes. The pool and billiard tables have been moved into the reading and lounging room.

The civic activities of the club will be given the same prominence and consideration which they have received in the past, but the club will take on more of a social character and furnish a gathering place for many social functions during the fall and winter. Since the resignation of A. C. Burgin as secretary of the club very little civic work has been attempted, but it is proposed to engage a new secretary in the near future.

URGENT DENTAL CLINIC

A dental clinic for the benefit of school children is being urged by the Tri Kappa society of Indiana Harbor as a public institution to be conducted along the same lines that the city is now conducting the baby clinic every Tuesday afternoon at the city hall. Such a clinic should have doctors employed at city expense, the society members believe, and all dental work should be done without other expense to the patients than the cost of materials.

During the life of the city's baby clinic a great amount of good has been done for the infant welfare of the city and the clinic has drawn people from

other cities of the region, notably Hammond. Dr. Bauer, an eminent infant specialist of Chicago, is employed by the city to conduct the baby clinic and the Tri Kappa would have some prominent dentist in charge of the dental clinic.

POSTPONE CELEBRATION

The Italian Independence day celebration which was planned by prominent East Chicago Italians for September 26th and was promised to be one of the greatest celebrations the country has ever witnessed has been postponed because of lack of time for preparations and will be held instead on October 17th. At this time the celebration will partake of both an independence day and a Columbus day nature.

MANY DEATHS IN ITALIAN RIOTING

(INTERNATIONAL NEWS SERVICE)
LONDON, Sept. 25.—Twelve persons have been killed and 50 wounded in riots at Turin, said a Central News dispatch from Rome today.

Serious disorders have broken out at Turin, according to other advices from Rome quoting the newspaper Messaggero.
At Trieste, where many persons were recently killed and wounded in fighting between Nationalists and Socialists, a party of Nationalists stormed a ship and threw overboard pictures of Lenin and Trotsky. This was followed by an outbreak of fighting in which a seaman was shot.

It is reported from Genoa, Turin, Rome and Naples that 90 per cent of the workers have voted in favor of acceptance of the employers' terms in the dispute between the metal workers and the factory owners.

U. S. TROOPS TO REMAIN THERE

CHARLESTON, W. Va., Sept. 25.—U. S. troops scheduled to leave the West Virginia trouble zones in the mining regions Oct. 1, will continue on duty indefinitely, according to announcement by Gov. John J. Cornwell. The governor announces that he has telegraphed Gen. Reed at Indianapolis cancelling his request for withdrawal of troops until the present critical labor situation in the mining regions is much calmer. Miners unions heads meet here this afternoon to decide on a statewide strike as a move to force the removal of U. S. troops from West Virginia.

The "Porcelain Tower."

That was an octagonal structure king, China. It had nine stories, faced with variegated porcelain from which bells and lamps were hung. This was destroyed by the Taipings in 1853, but lives in history as one of the seven wonders of the middle ages.

Millions Now Living Will Never Die

This is the topic of a Free Lecture wherein is presented reasonable, Scriptural evidence that millions of people now living upon the earth will never need to die. You may be one of them.

Hear the Evidence

Judge for Yourself

W. T. RICHARDS
Lecturer

When Judge Rutherford gave a similar lecture in Chicago last June the Auditorium was quickly filled and thousands sought admittance in vain. This message brings comfort and encouragement to a distressed world. Do not miss this lecture.

Jesus and the Prophets foretold the time when people would not need to die and when the dead would return from the tomb and be restored to their loved ones; the time when love would rule instead of selfishness. There is evidence which proves that this time is near.

FREE LECTURE--Illustrated With Beautiful Motion Pictures

The purpose of this lecture is purely educational. You will not be asked to pay any money or to join anything. Come and bring your friends to hear this comforting message from God's own word.
